Lisa

Sugar Mommy

Lisa's packed a lot of living into her forty plus years. She's been married twice, raised four kids and now runs a successful consulting firm that she started with the divorce settlement money. She's put any thoughts of love and marriage well behind her; been there, done that. Nope, she just wants to live her life and have fun while she's still young enough to enjoy herself. When she does get that itch that needs to be scratched, she's got a stable of young studs at her service. She's a generous lady and treat them well, as long as they fill the longing deep insude her twat. Here's to a modern lady who knows what she wants and just how to get it.

These two were lucky enough to run into her at her favorite pick-up joint. She couldn't decide between the two friends, so decided to have both. They'd be fools not to take her up on her offer.

As she got older, Lisa evolved from a shy prude into a voracious vixen.

No time to waste, our sultry MILF jumps on her personal assistant's cock. She loves to feel a nice hard cock down her throat.

She might be old enough to be his mother
but her pussy's still nice and tight.

She also thought that eating cum was dirty when she was younger but now she's come to love the taste of it. Can you handle a woman that knows what she wants? Give it a try!

Rucca

Sharing My Wife

A woman with long blonde hair is posing in a kitchen. She is wearing a red fringed top and a red and black fringed skirt. She is holding the top of the skirt with both hands. The background shows wooden cabinets and a countertop.

I knew when I married Rucca, that I would never be able to satisfy her sex drive by myself. She wanted it every day, morning, noon and night. Lucky for us, I'm not the jealous type and since I loved her so much I was willing to do whatever it took to make her happy. Often that meant getting one of my buddies to help get her off. She loves it of course and I find it a real turn on to know that other guys find her so attractive.

In fact when all the guys in my life found out about our arrangement, they were jumping at the chance to pounce on my sexy wife.

Today, it's Jerry, a buddy from work
and Rucca's eager to get a taste of
some fresh meat.

The guys we bring home are
always amazed at how she
handles multiple cocks.

The best part? To-
morrow she'll want it
all over again. Maybe
even late tonight.

She loves being covered in cum and I
love granting all her desires. Care to
give a brother a helping hand?

If you have a story about one or more of your erotic experiences, then go write ahead. You can send your stories to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

"The redhead at work – you know, that busty babe with the blowjob lips in payroll. I fucked her in the back-seat of our car." I shrugged. "It was just a one-time thing."

My wife stared at me. "No-no, you didn't... you couldn't..."

"She came onto me, things went a little too far. It won't happen..."

Pritta slapped me, hard, across the face. She's just a tiny thing, normally shy and demure and soft-spoken, but she's the jealous type.

"Hey, it's nothing to..."

She stung my cheek a second time, her well-endowed chest shuddering under her tight green tank-top. She glared up at me, violet eyes shooting sparks, nostrils flared and mouth open, pretty, delicate face contorted with rage.

I rubbed my cheek and she beat my chest with her little fists, then she ripped my shirt open and beat my bare chest. I let her, watching and feeling.

"She sucked my cock first, by the way," I said, "before I fucked her. That's something you hardly ever..."

Pritta tore my jeans open and yanked them down. My cock sprung out and up, hard and throbbing. She slapped it one way, the other.

I grunted. But I didn't stop her.

THE JEALOUS TYPE

Staring at my twitching erection, Pritta shoved her skirt down, pulled her pantyhose off her slender brown legs, then she dropped to her knees and lashed my cock with the hose, at the base, winding the sheer nylon garment around and around my pulsating tool.

"I should bite it off!" she hissed at my strangled dick, spitting onto my swollen shaft.

She tied me up achingly tight with

her improvised cock ring, then whacked my prick around some more, punishing me, she thought. I groaned and quivered, my knees buckling, legs gone weak. She knew I'd never strike back at her. She was such a good wife, even when she blew off steam.

We were down in our rec room in the basement of our home. It'd been a dull Saturday morning until I'd made my pronouncement. Now it was a wickedly hot Saturday morning, and getting hotter.

Pritta jumped to her feet and smacked my bare ass with the flat of her hand, jolting me and my trussed-up cock. "Why did you do it!?" she

cried, whacking my cheeks.

"Because she was there," I rasped, "and wanted it bad!"

Pritta spanked me harder, grabbing onto my bound-up cock with her other hand and biting her fingernails into my purpled shaft. Her shiny black hair streamed over her face. "You fucking cheating bastard!" she screamed, flailing my ass, clawing my cock.

No one would've recognized the woman now. She beat my ass with her one hand, crushed my dick with the other. My cheeks flamed, my cock so numb I could hardly feel it anymore, my slit gasping open like my mouth.

"I'll give you a fucking blowjob!" Pritta raged, finally releasing my cock, ceasing her spanking.

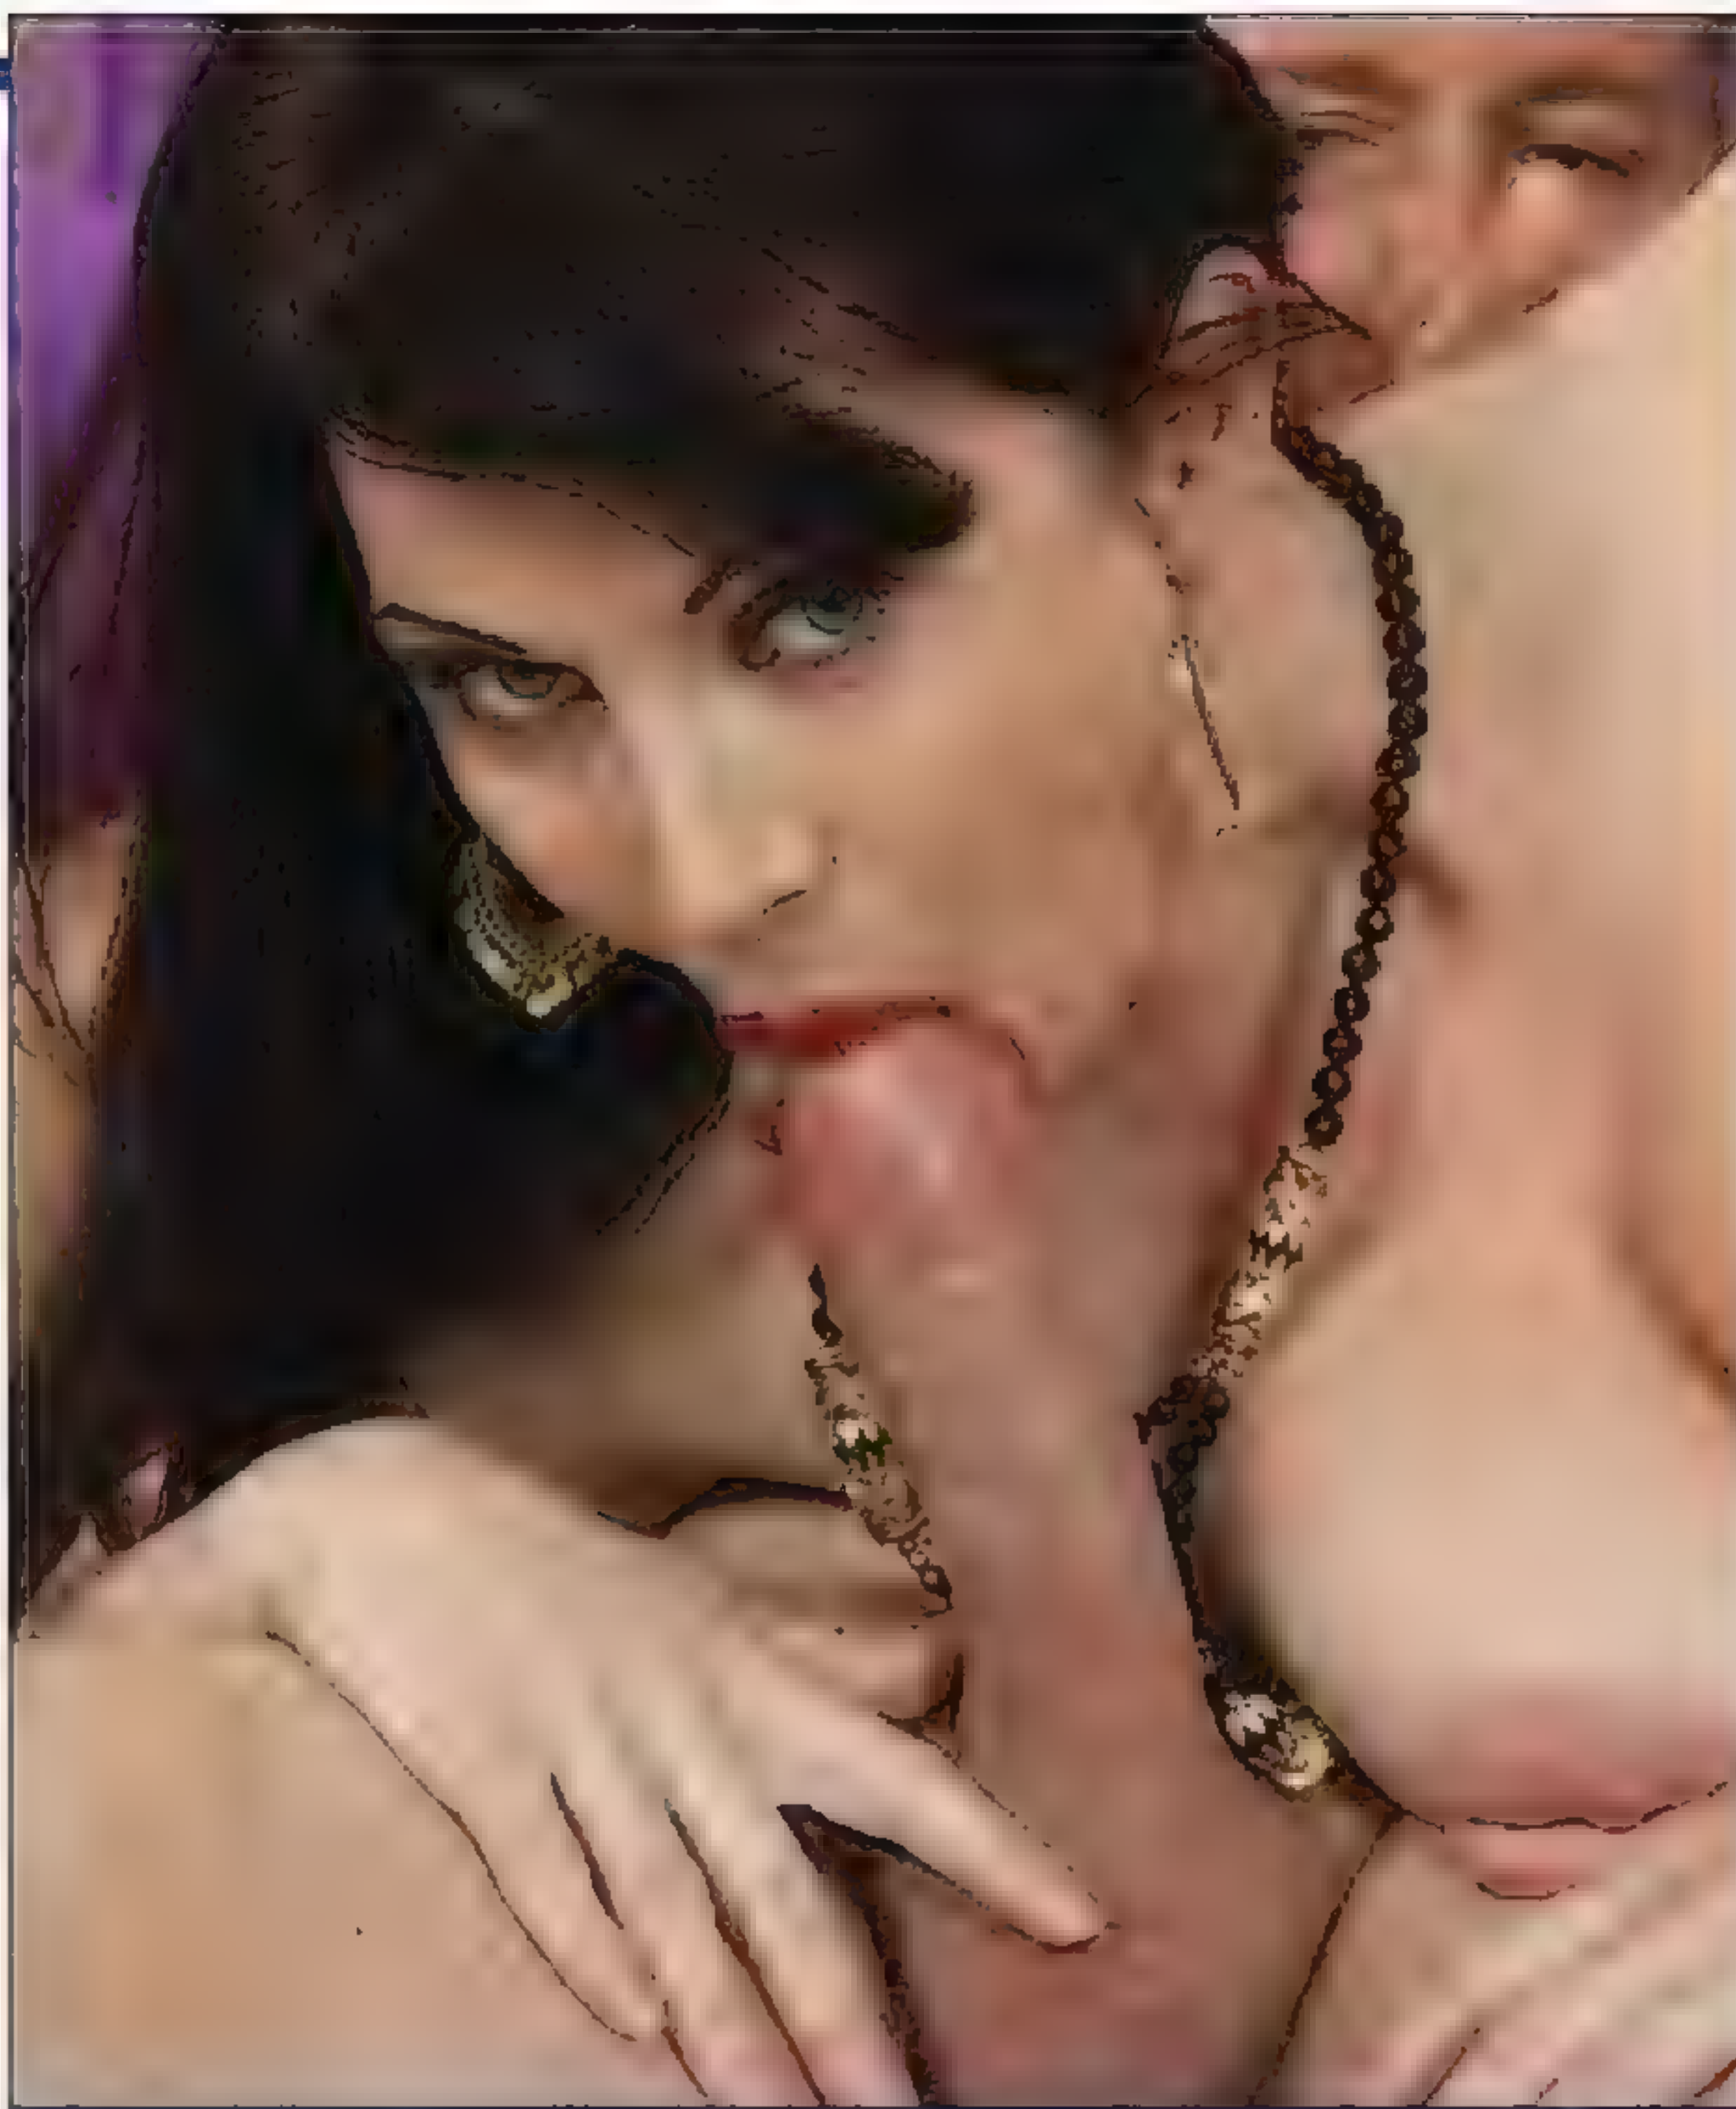

She ran over to the small bar in the corner of the room and pulled open the mini-refrigerator, dug around in the freezer. Then she was back at my noosed prick again, on her knees, her hands full of ice cubes. She clapped her hands on either side of my shaft.

"Fuck!" I yelped, the cold revenge snapping me.

Pritta pumped my cock with her ice hands. She stuck out her tongue, touching my hood, washing all around my cap – teasing and torturing me with fire and ice.

I gritted my teeth and clenched my fists, shaking uncontrollably. She iced up and down my prong, cooling me off, spun her tongue around and over my knob, heating me up. Then she inhaled my hood, slid a cold hand down to my balls.

I cried out in a mixture of pleasure and agony.

She tugged on my hood with her plush lips, her little hands dripping ice water, rubbing my shaft and my sack. She sucked deeper, vaccing half of my dong, ice-stroking the rest. I was on fire, yet chilled; boiling, yet shivering.

It could've gone on like that forever, the beautiful, wrathful woman stoking and freezing me, controlling my flow with the ice and her pantyhose. So I decided to come clean.

"I-I was only joking, Pritta!" I gasped. "I was never unfaithful to you, never will be!"

She looked up at me, her mouth full of my cock, her watery hands at the base and on my balls. She pulled her head back, her hands off. "Really?"

I nodded. "I just love it when you get angry," I admitted.

She smiled, shyly. Then she dropped the ice and unraveled my prick.

Blood surged into my cock, beat through my body. Pritta glided her lips over my bulb and right down my shaft, consuming my throbbler in her wet, pink mouth, firing me up, full-blast.

I instantly jerked, jolted by pent-up ecstasy, the orgasmic dam bursting. I grabbed onto Pritta's head and sprayed my eternal love down her throat.

She happily swallowed what I had to offer, this time. Like the good wife she is.

-Bruce Miller

Francesca

Red Hot Latina MILF

Francesca grew up poor in Mexico and she knew very early on that her killer body was the ticket to her road to riches. Men have been giving Francesca anything her heart desired, in the hopes that they would get to sample her very special charms. This hasn't changed as she's gotten older. In fact she's doing better than ever and getting fucked every day. All she asks in return is that you get her off and contribute a little something to her retirement fund. Any takers?

These sweet curves have made men beg,
steal and borrow.

Did we mention that
Francesca knows exactly
what to do to a hard cock?

This woman isn't afraid of a little hard work in exchange for comfort and pleasure.

The men in Franchesca's life might leave
a little poorer but never dissatisfied.

The world has made what

Brooke

I.D. Please!

As she turned 40, Brooke was feeling a little down in the dumps even though her hot bod and pretty face made her the envy of all her girlfriends. Still, 40 isn't a milestone most women like to see and Brooke was no exception. So, imagine her delight when the guy at the liquor store said he needed to see her driver's license before he could sell her the celebratory bottle of champagne. She was so delighted she decided to reward him with a little treat.

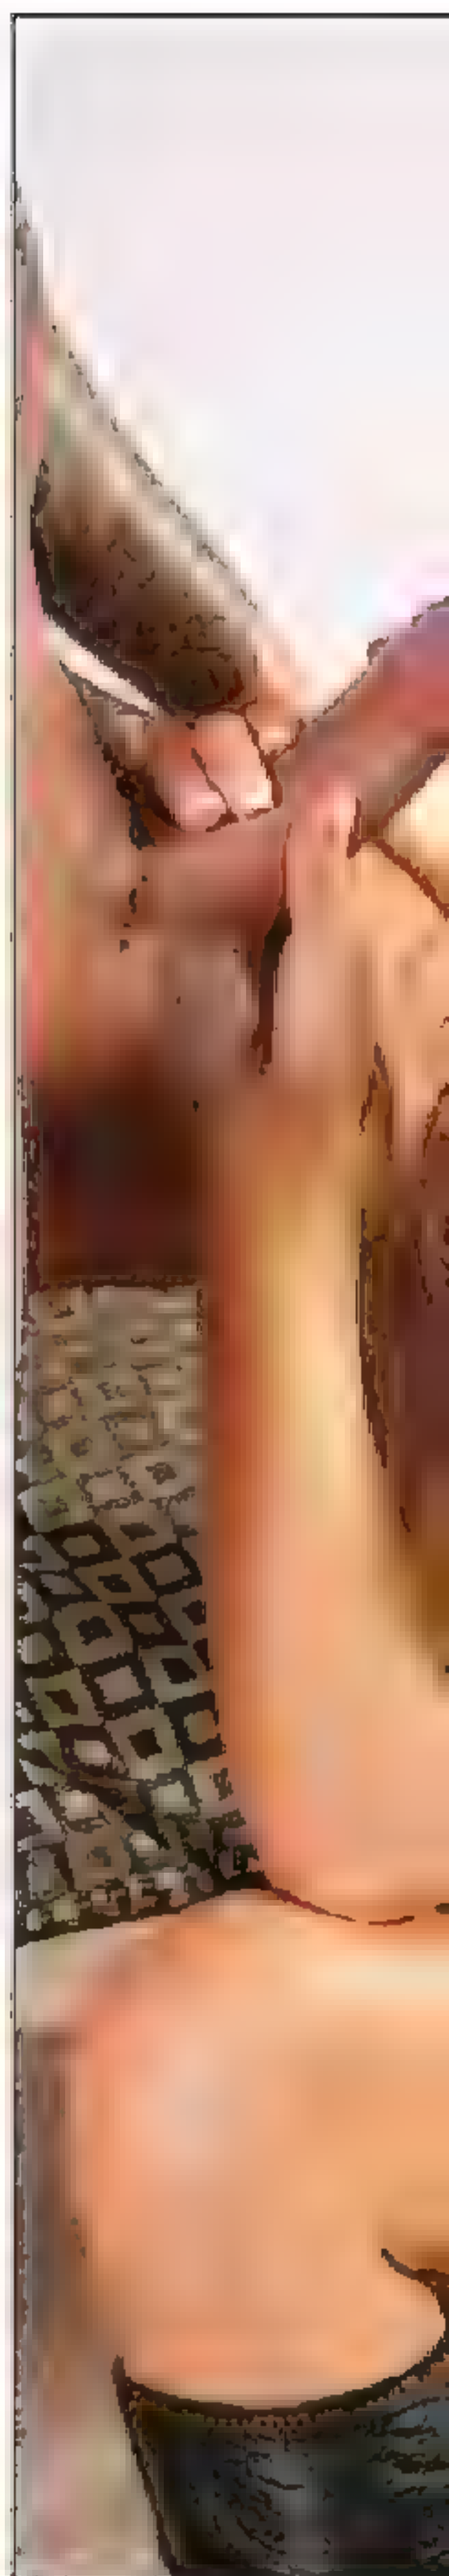

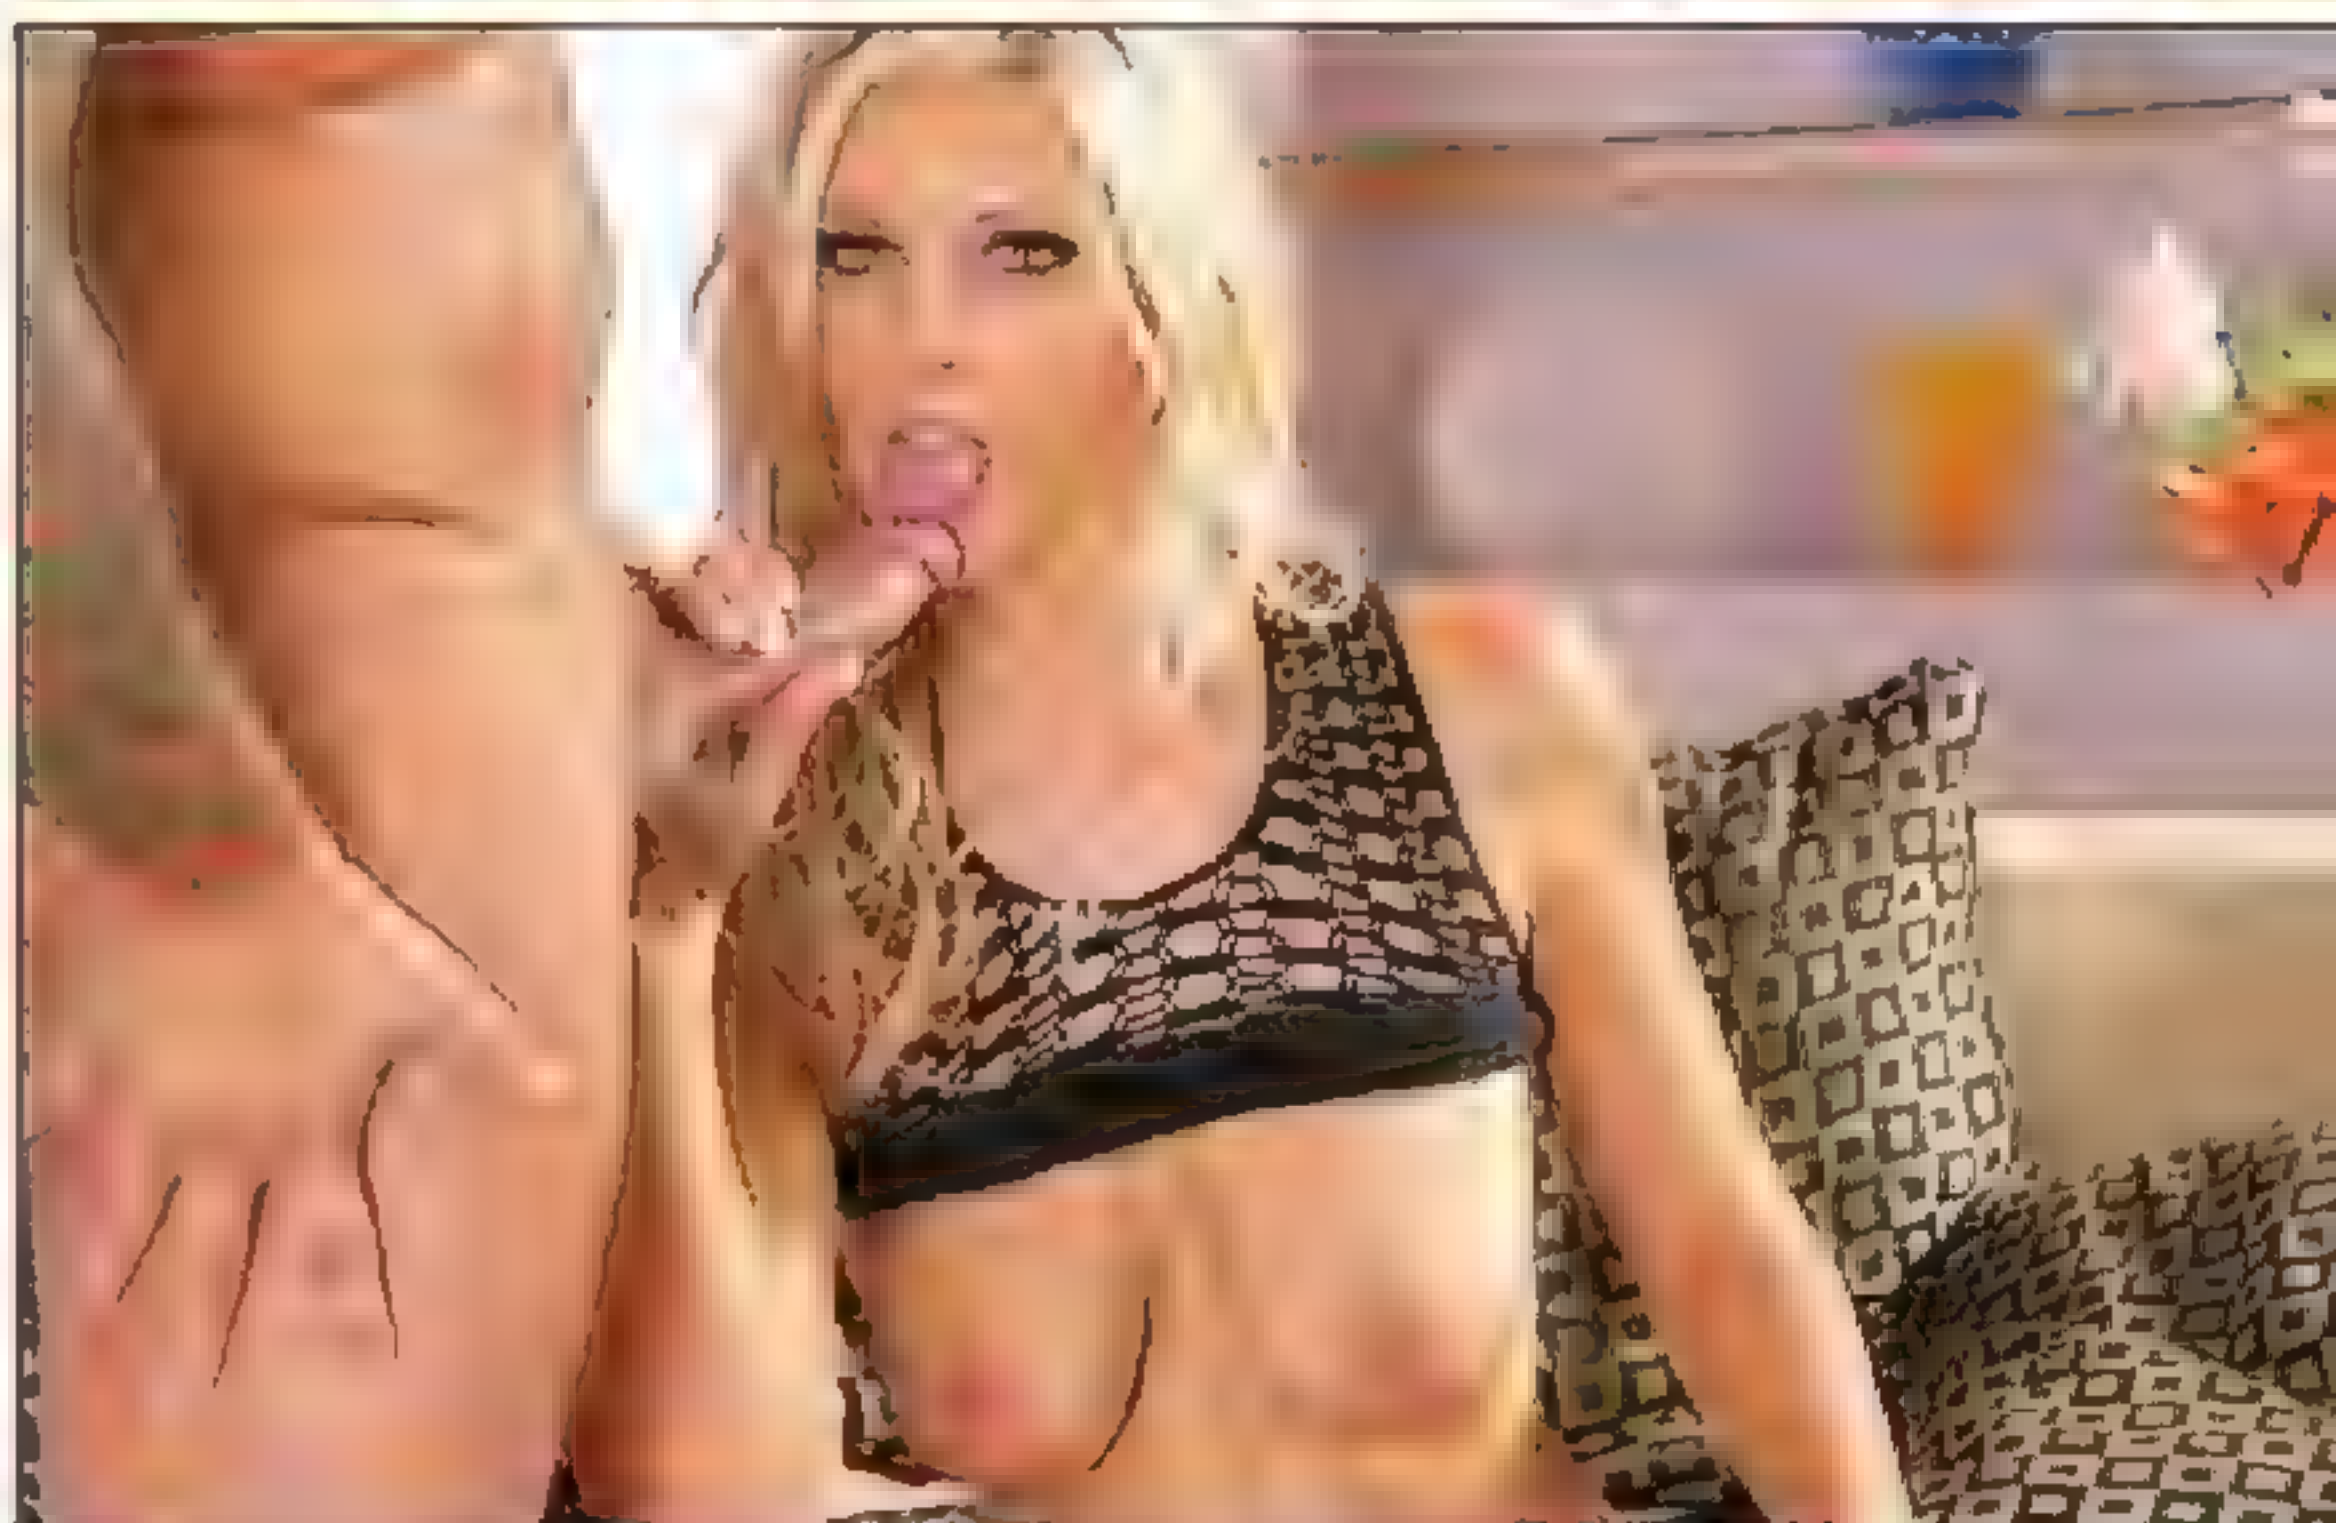

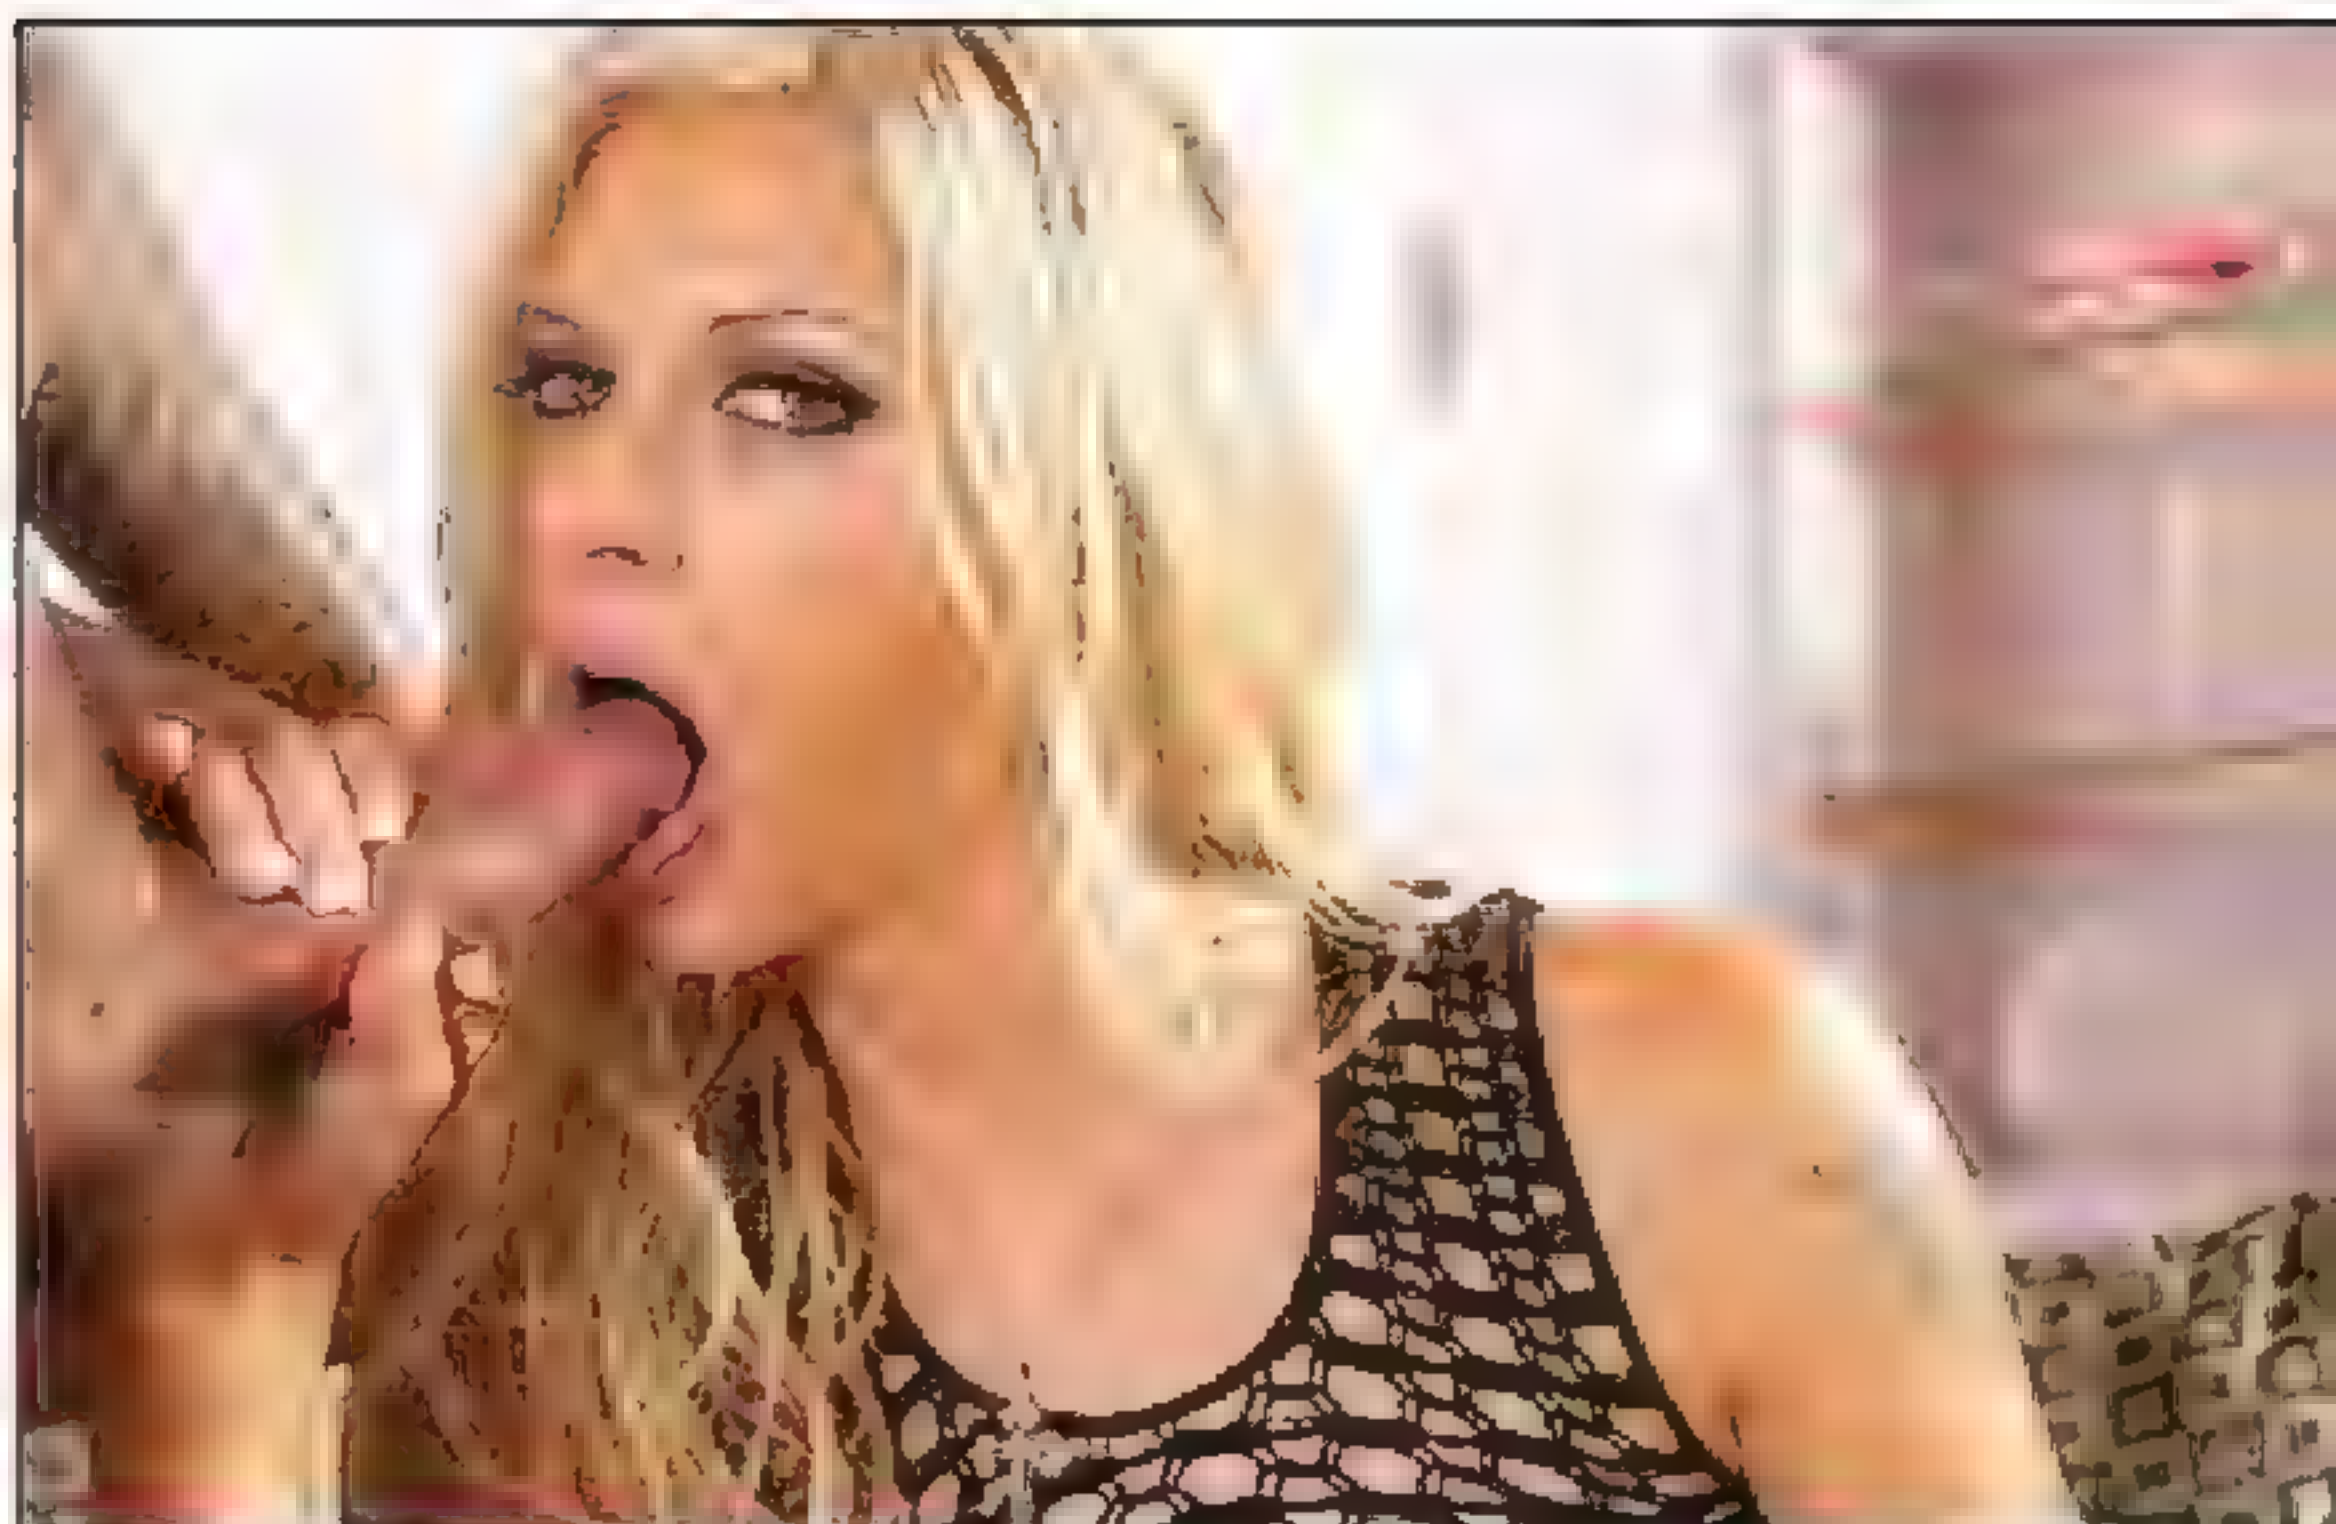

As she peeled off her clothes, the lucky guy knew he was in for the time of his life.

Once Brooke took his cock into her mouth, he decided that he was going to card all his sexy, older clients. Who knows where it can lead?

Brooke's pussy rivalled that of any young, little tease.

Brooke was also an expert at many positions that this guy had never tried with the younger sluts.

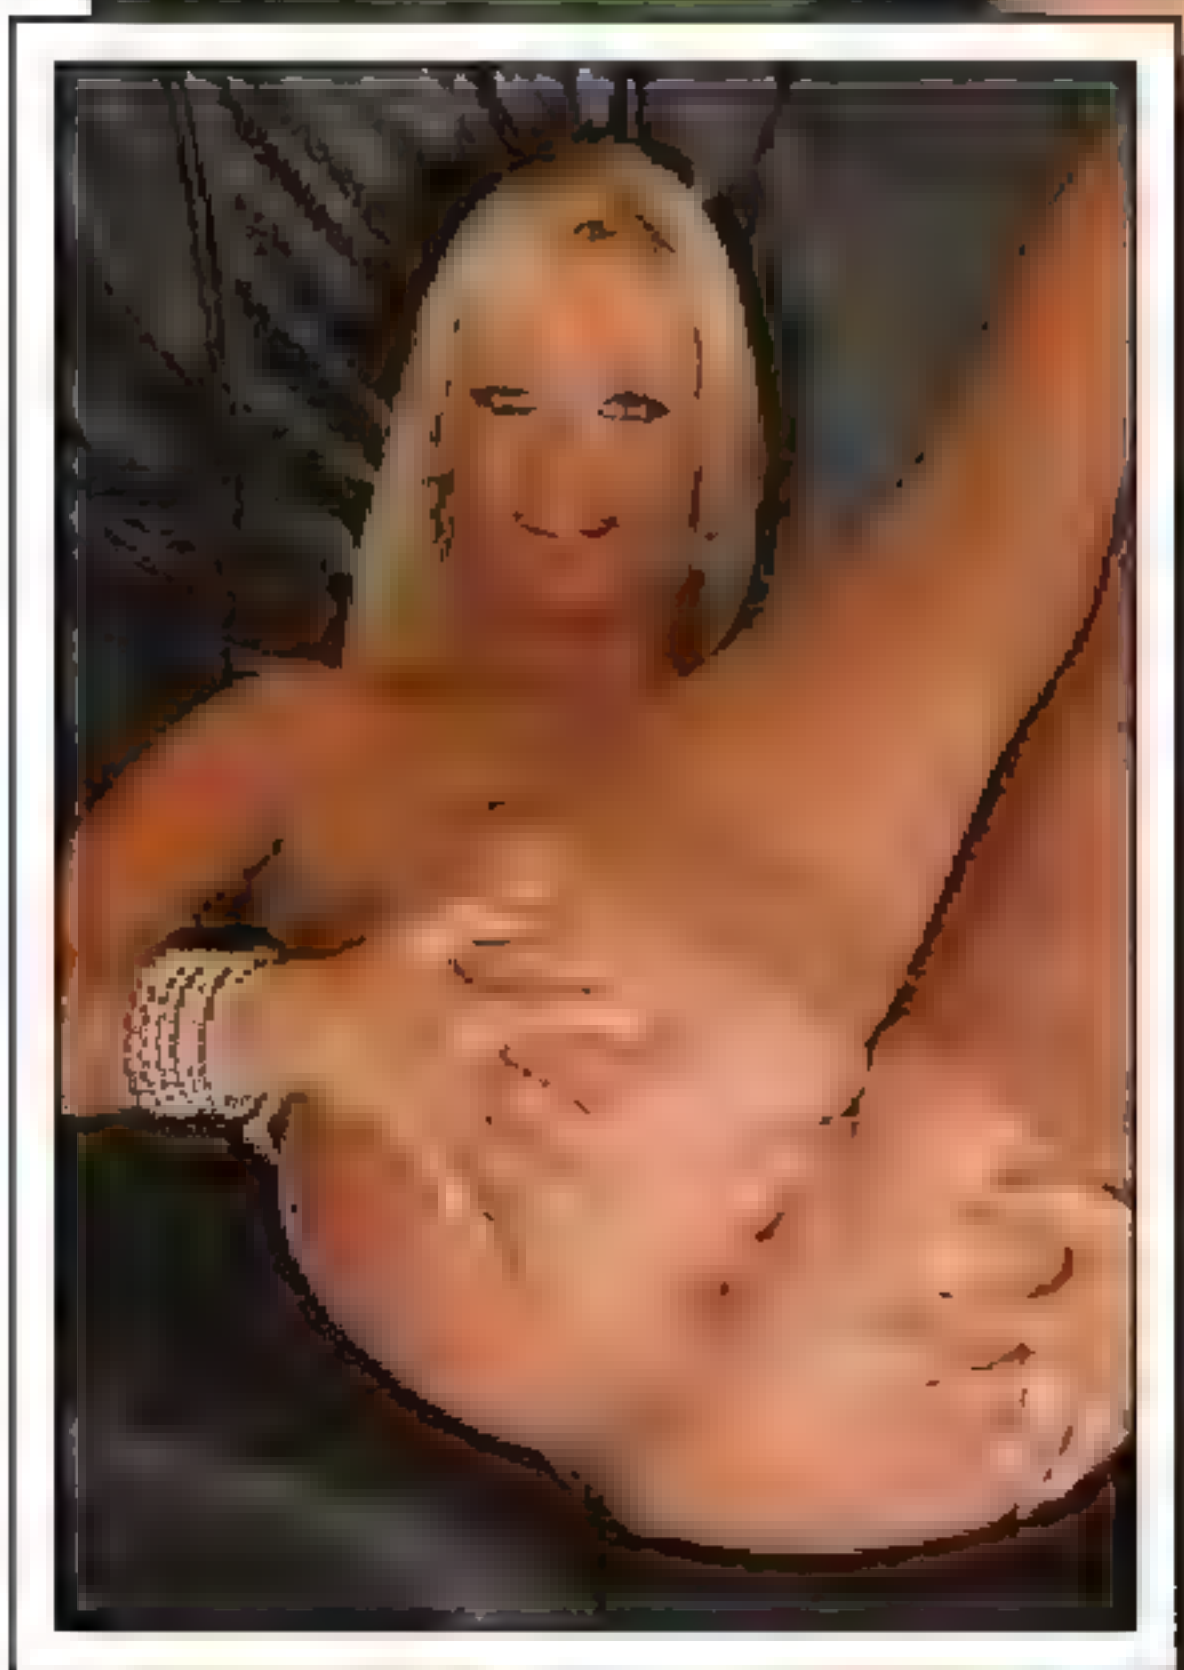

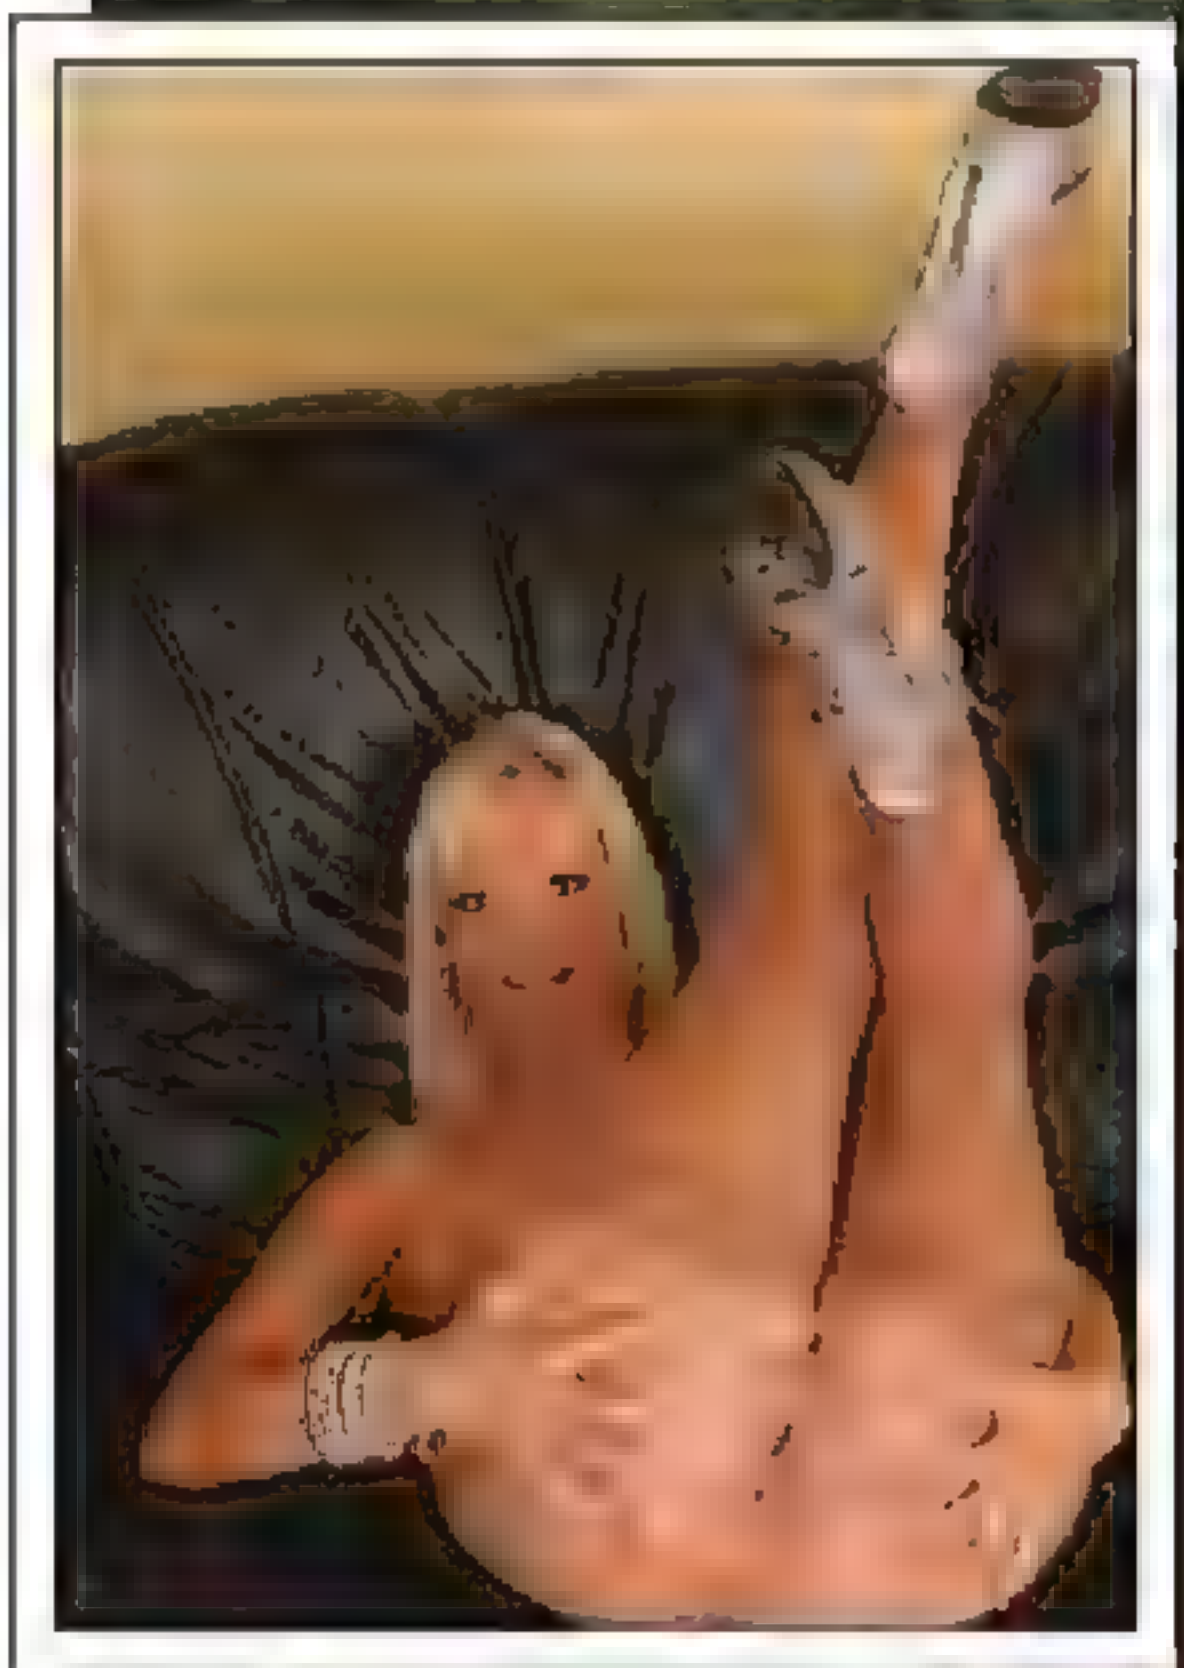

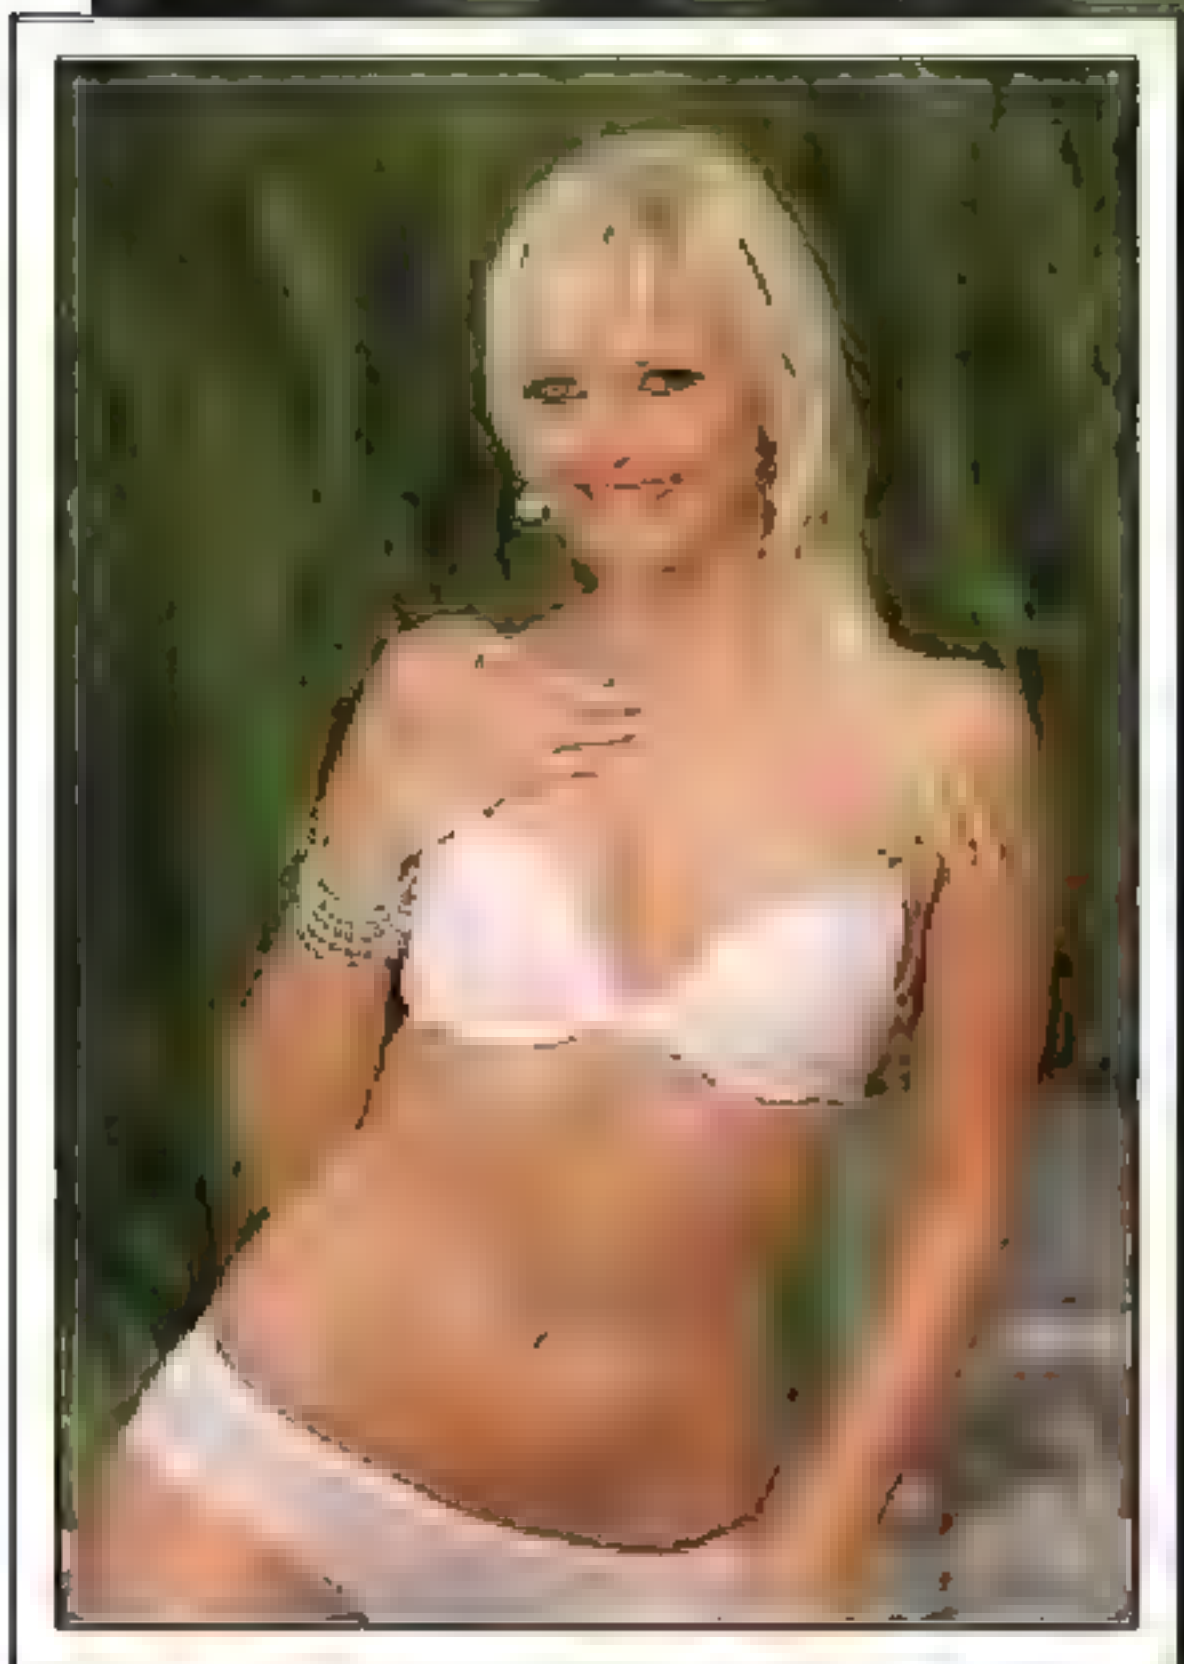

He toasted her tits with a boat load
of jizz. Do you want to wish Brooke a
Happy Birthday?

Jessica

Addicted To Love

Jessica was an easy woman to love, just look at her. But she was never satisfied for long. You see, she's a woman who thrives on the initial period of a relationship when everything about your new lover is amazing and you can't seem to keep your hands off of each other. As a result, Jessica has never been able to remain faithful even though she tries, she really does. It's happened again, as she's about to run around on her new husband of only six months.

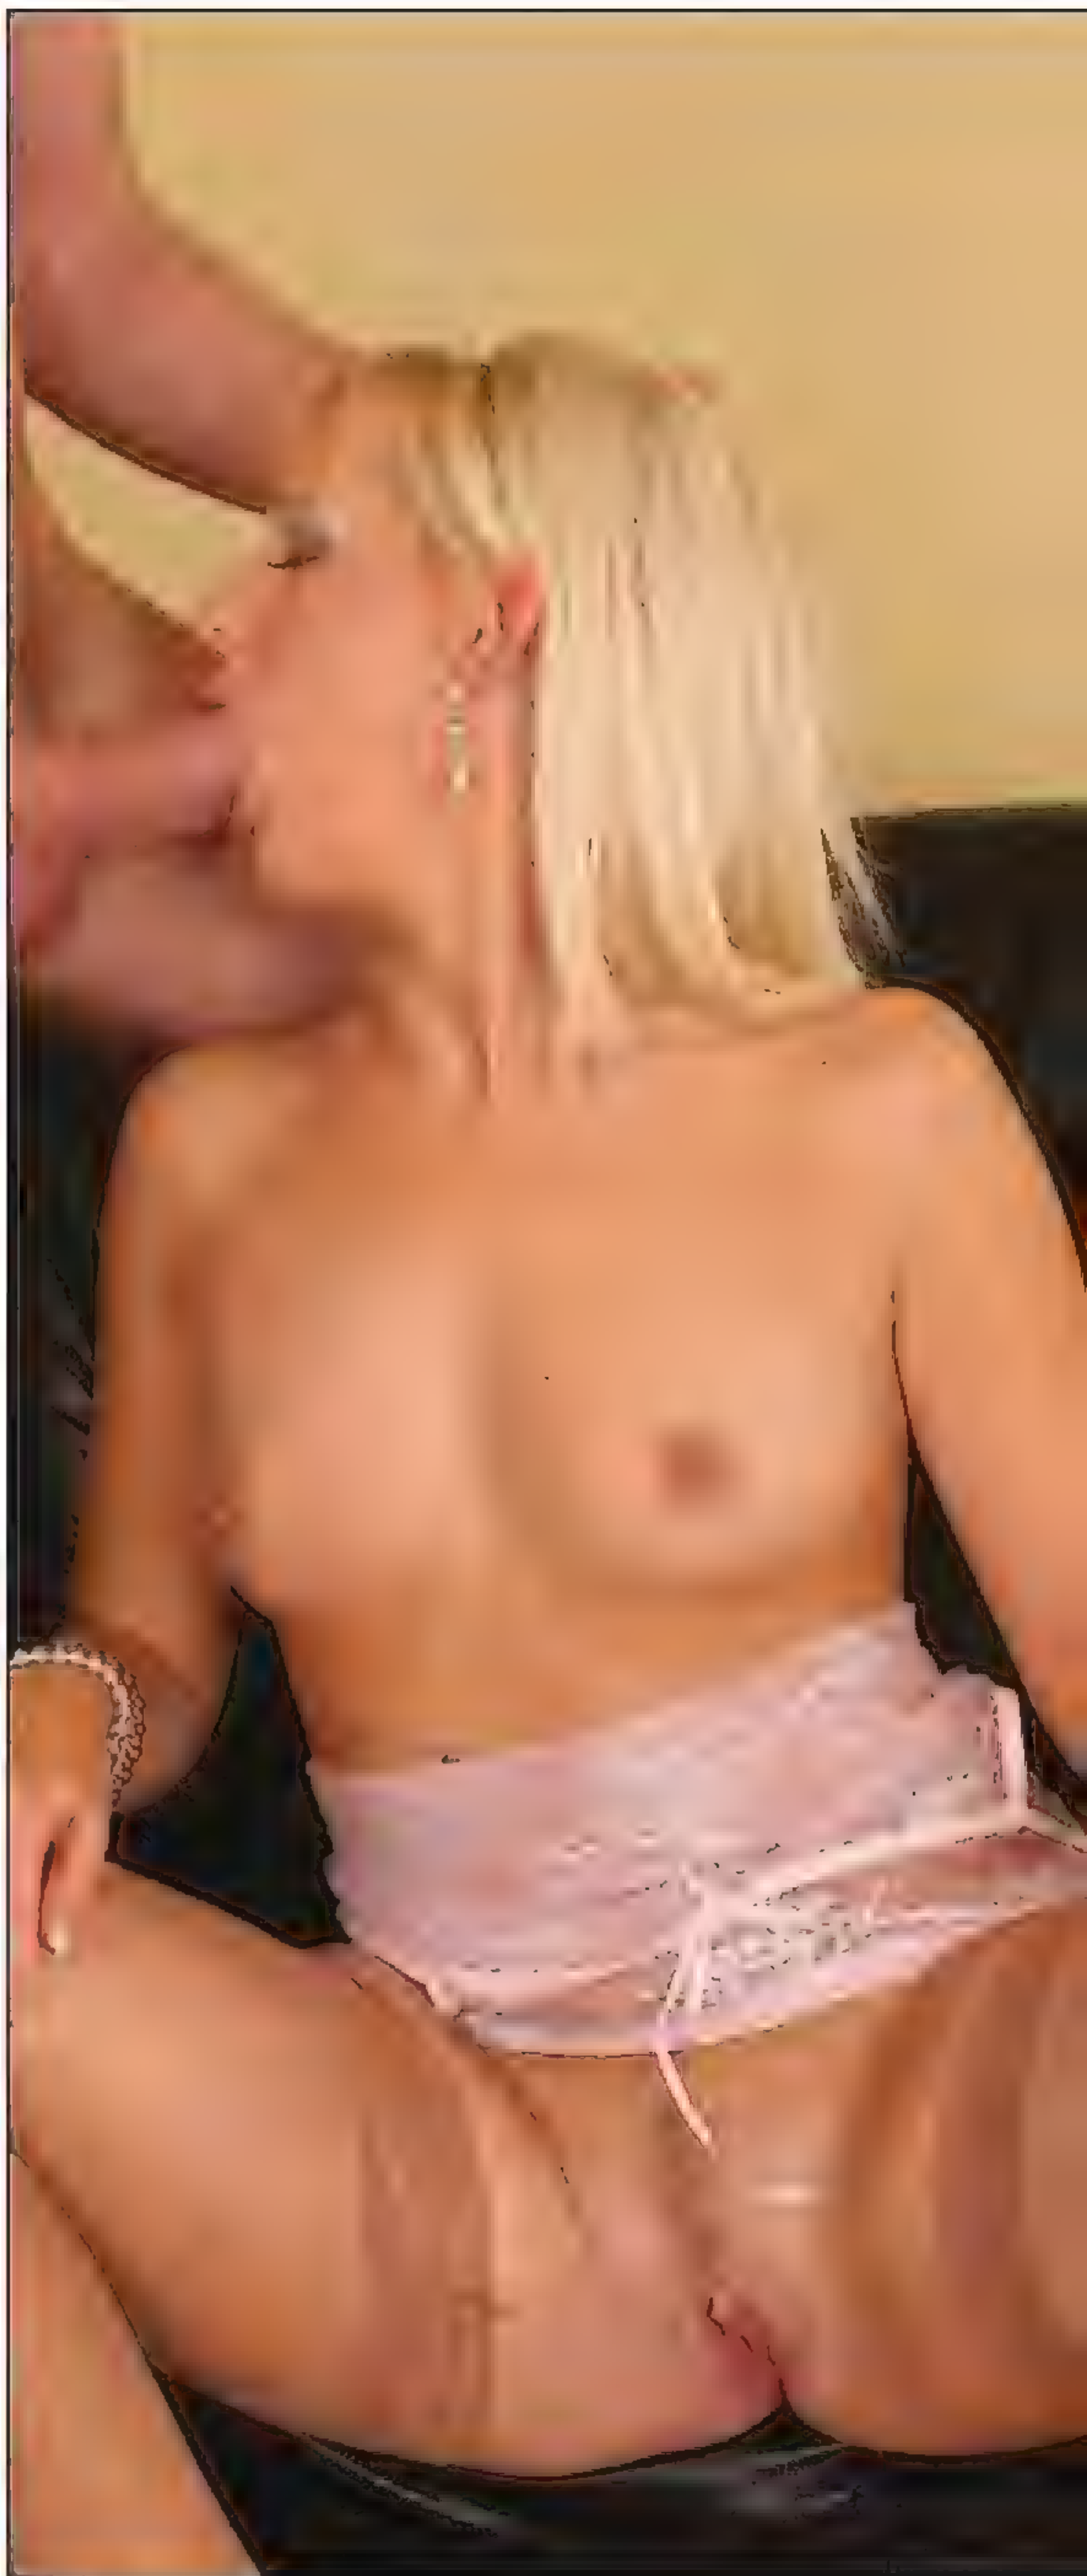

Jessica can't get over how good a new cock tastes.

This cock tastes better than all the rest, she thinks to herself. Then again that's what she thought about all the others at the time.

She's in ecstasy as she cums all over her new man's beautiful cock.

Violet

*A Hair Raising,
Good Old Time*

Violet is old enough to know that fads come and go and just like she never pursued the latest fashions, she resisted her friends' efforts to get her to go hairless. She liked the way her silky bush framed her pussy and she knew that many men appreciated the way a woman is supposed to look and feel. She ain't going to change any time soon.

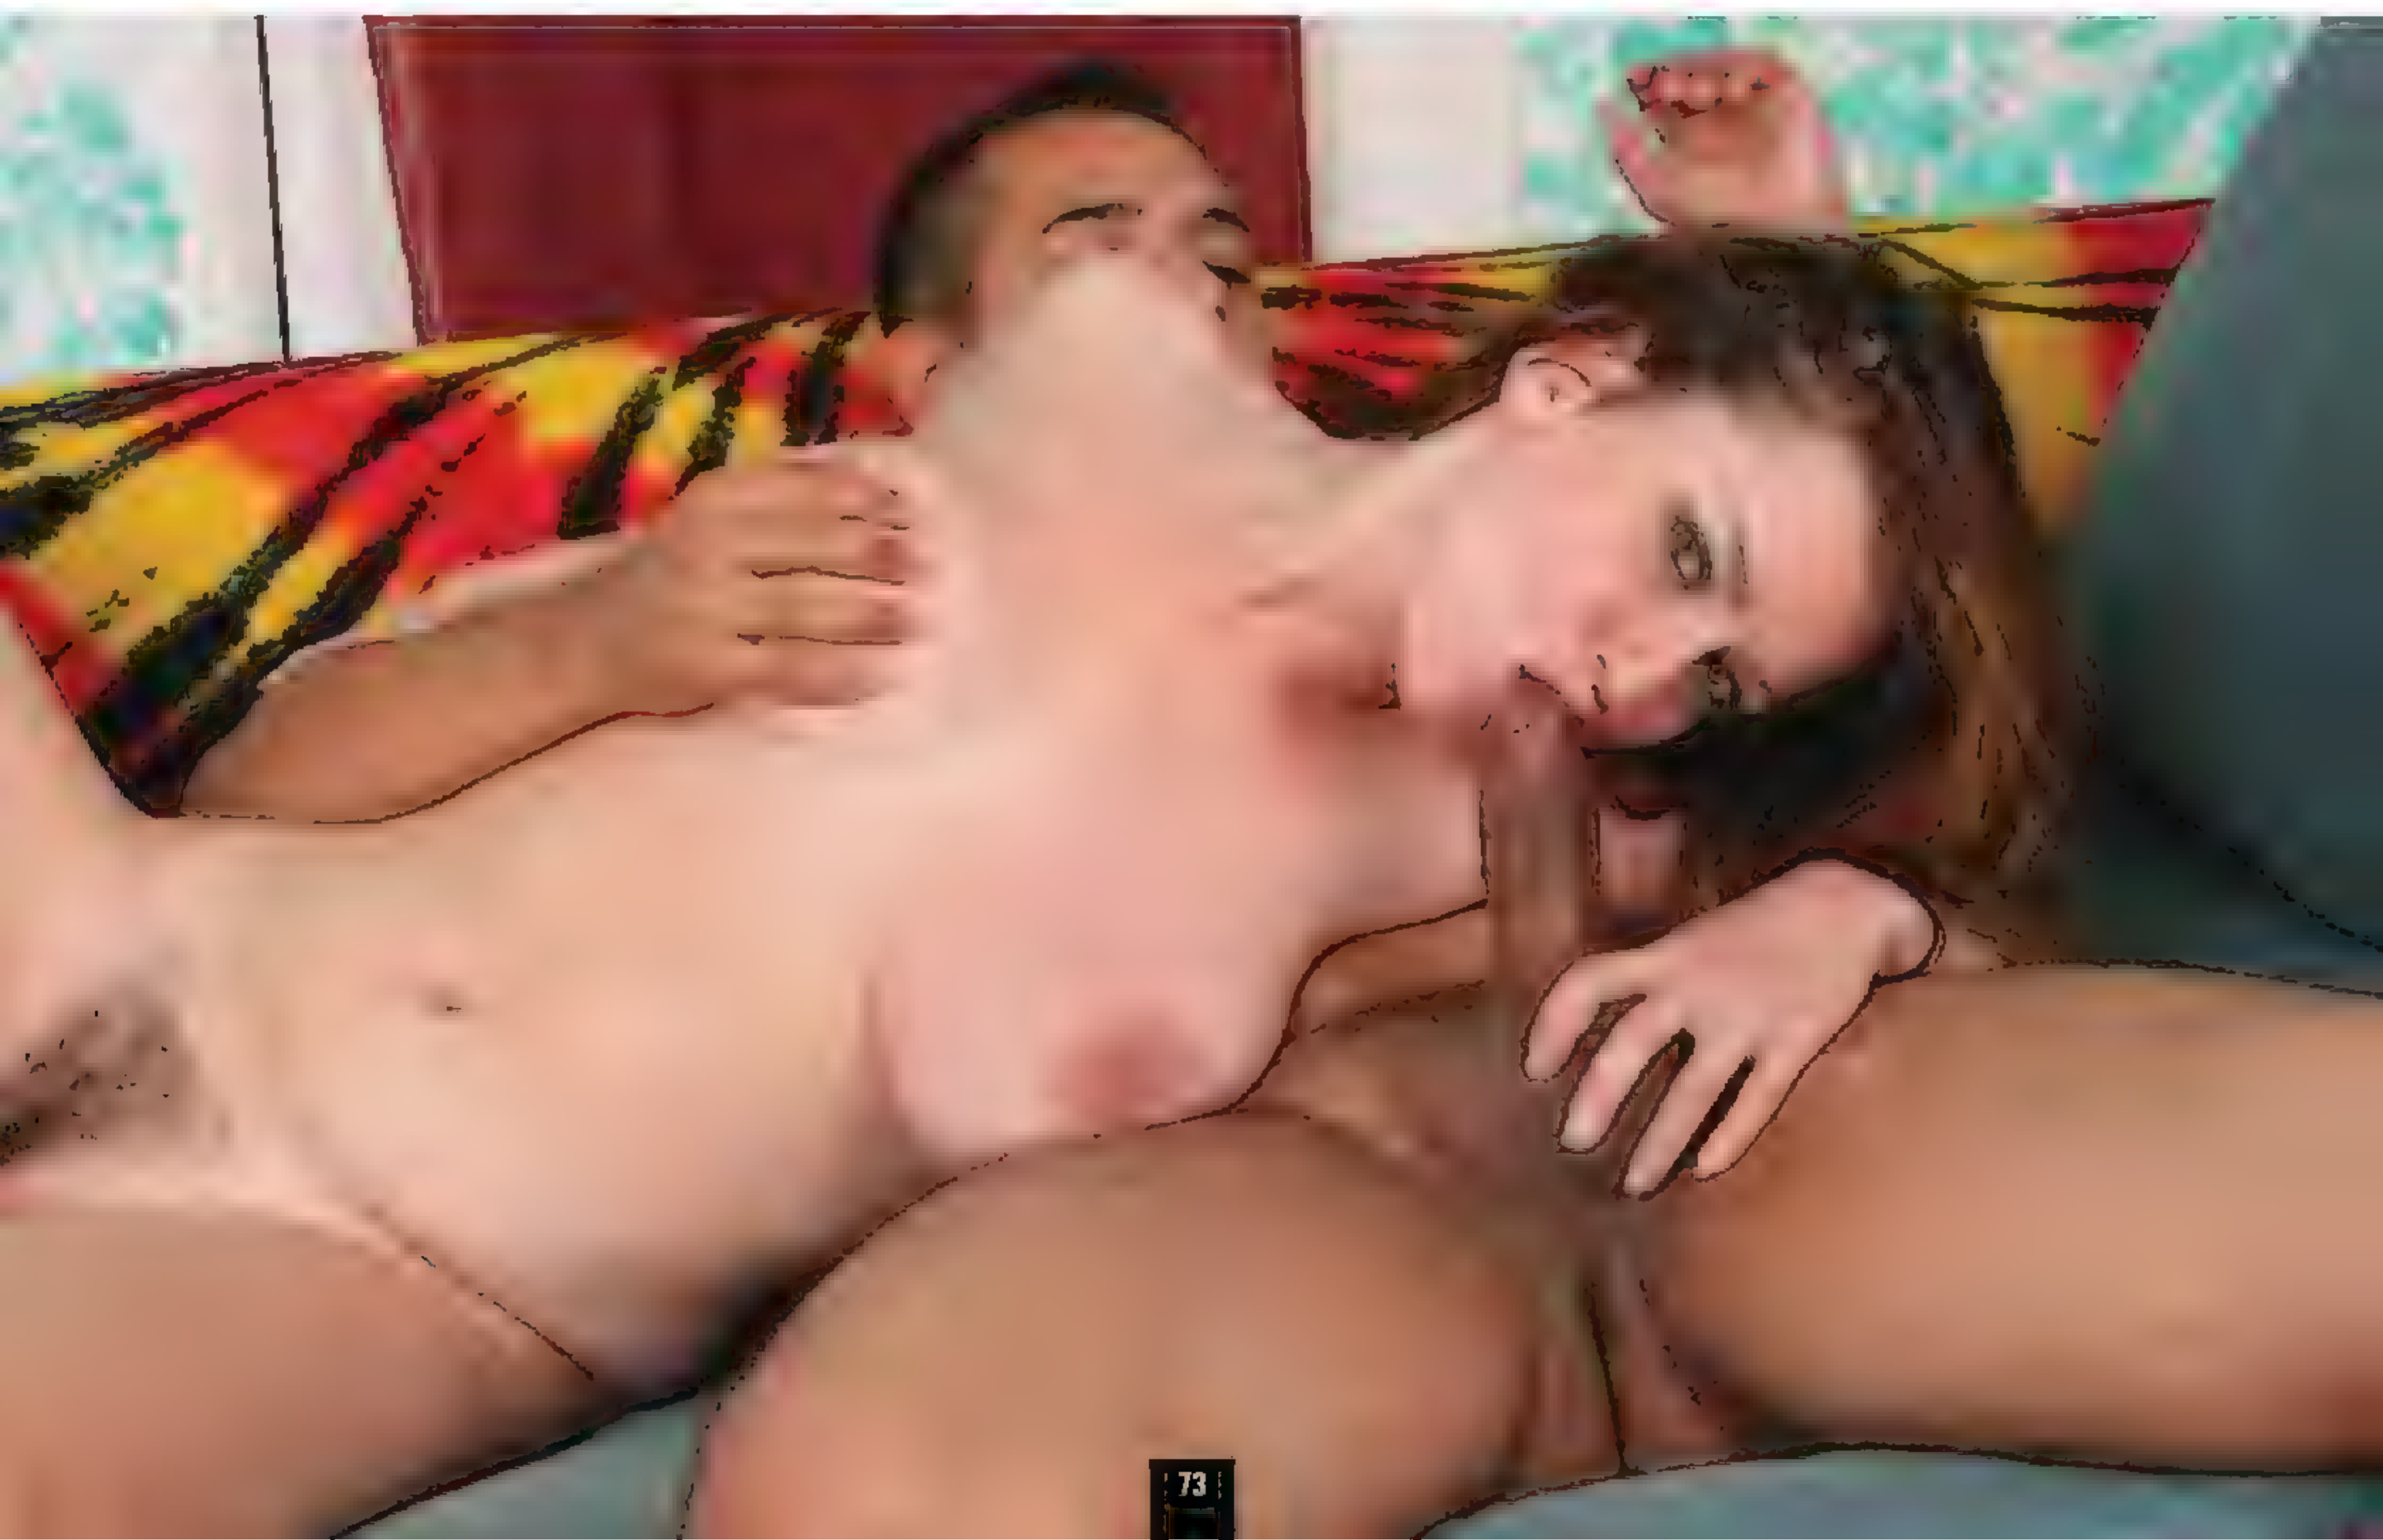

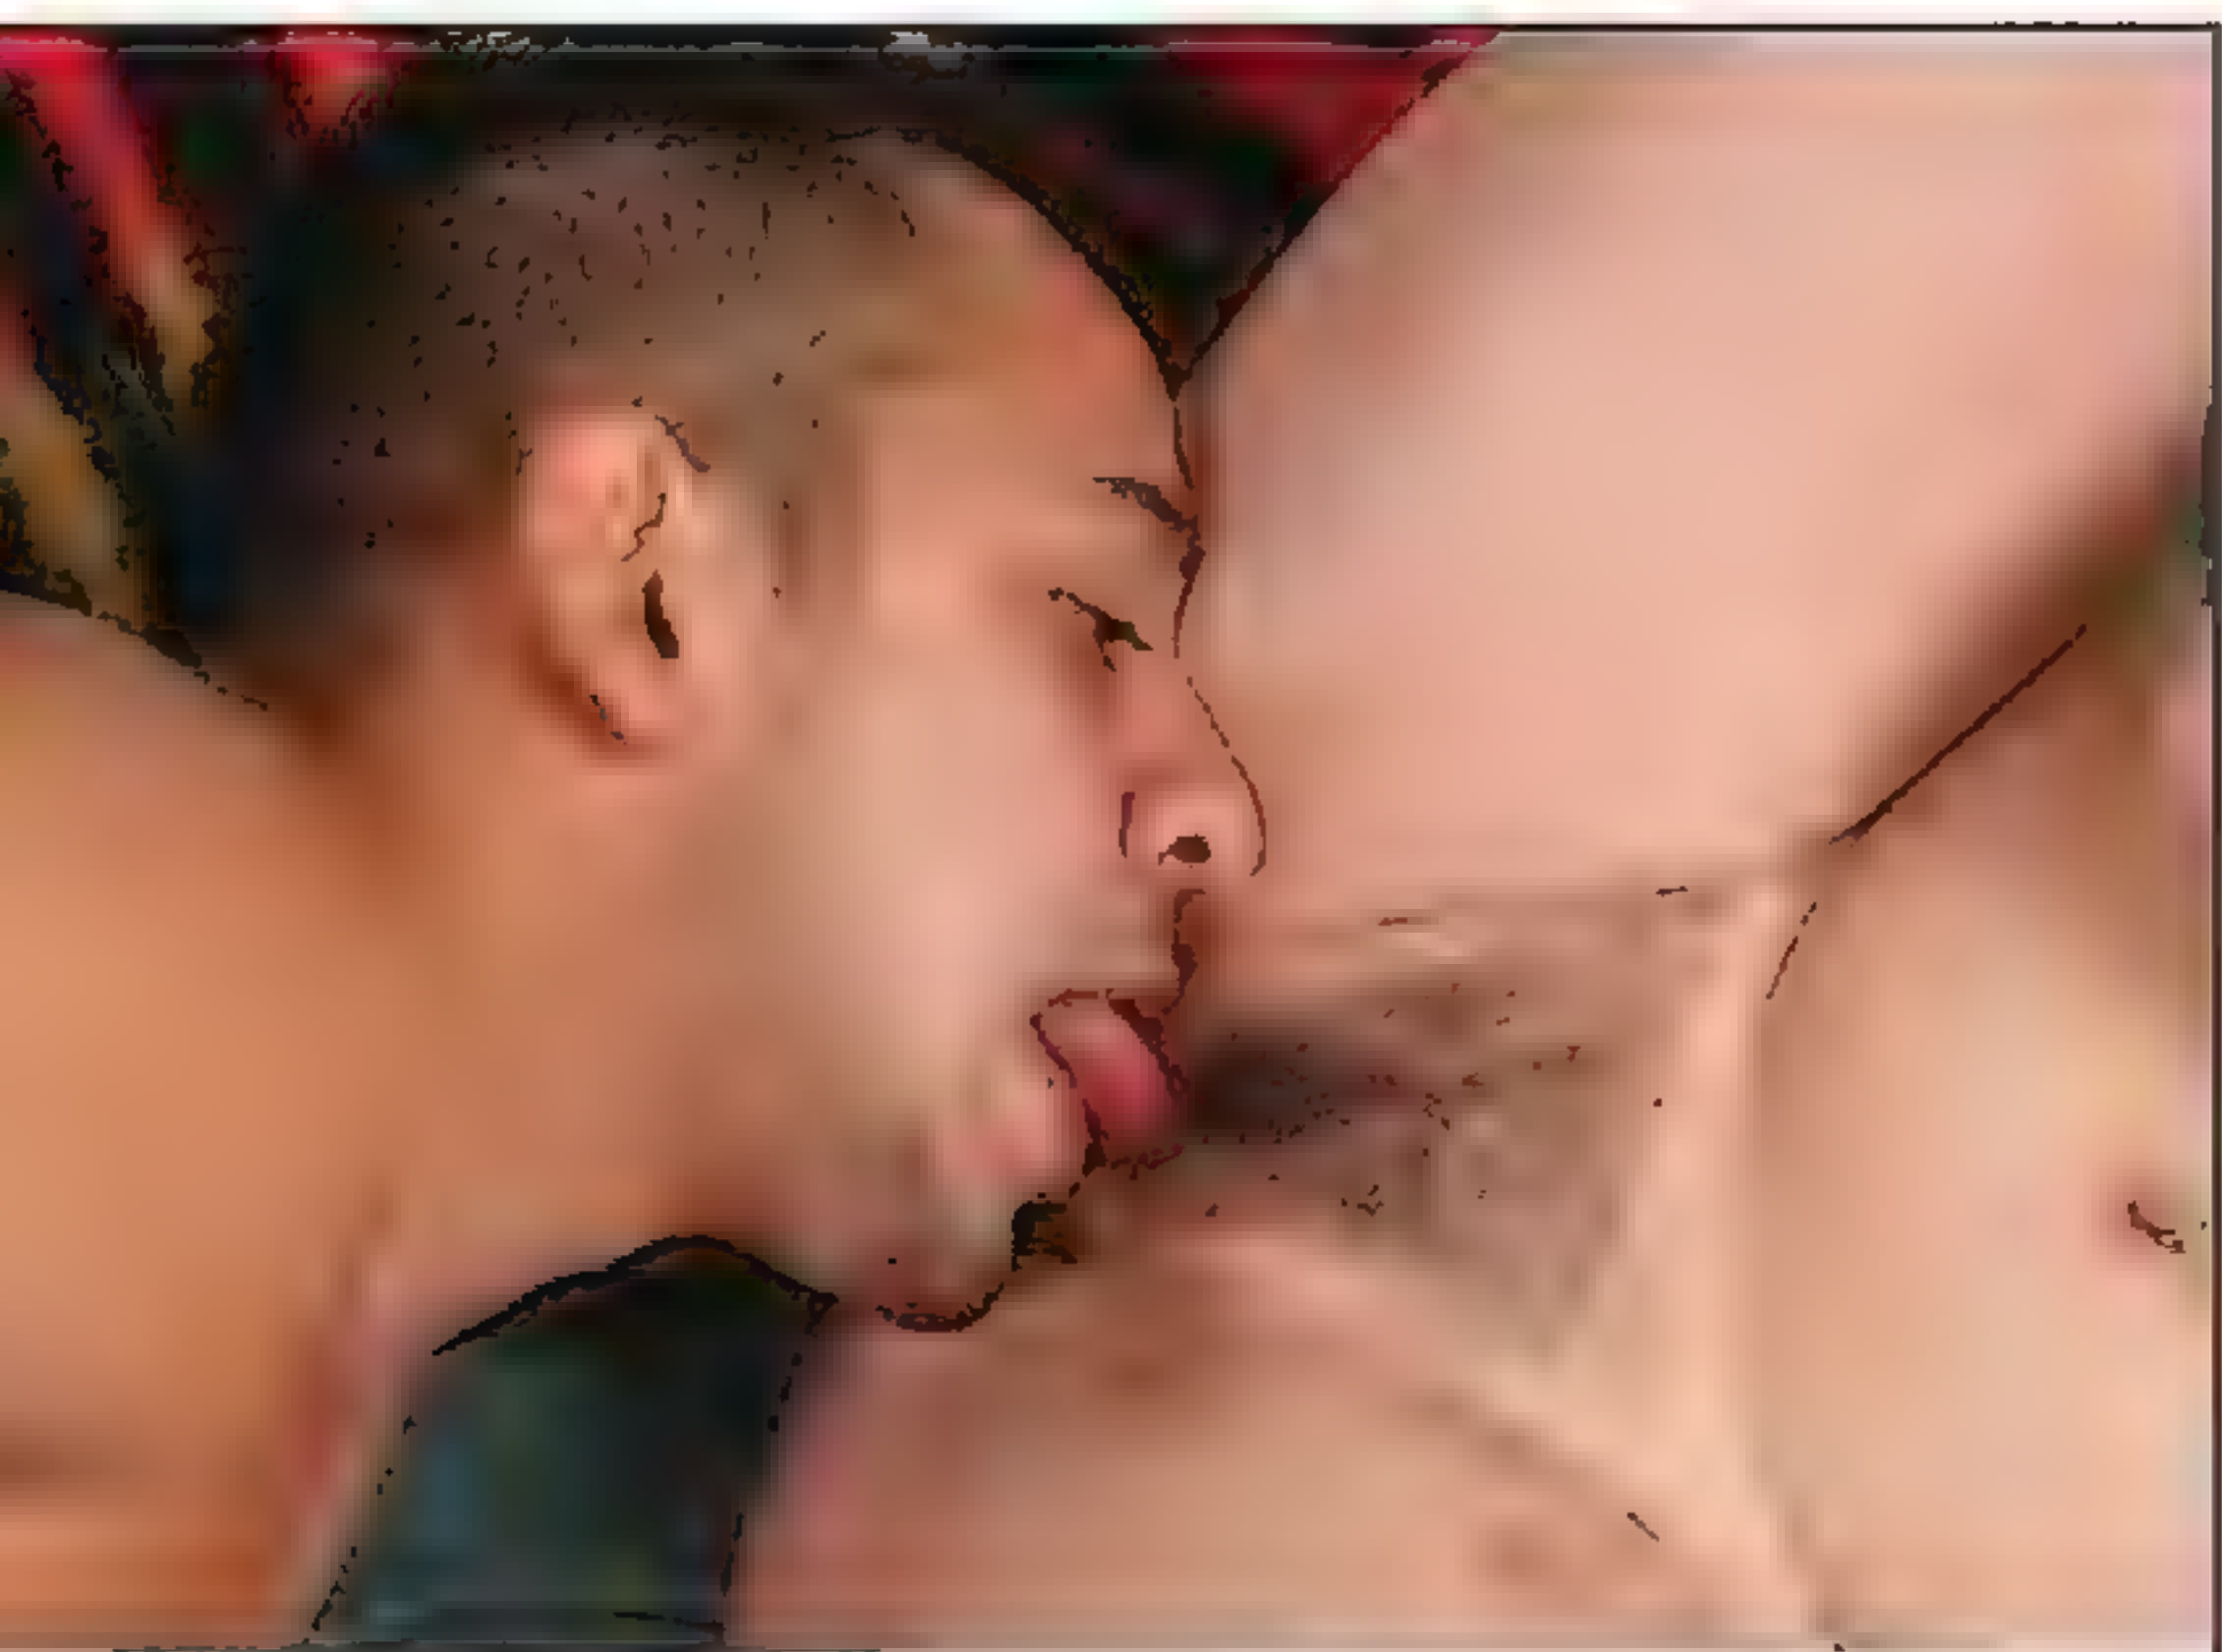

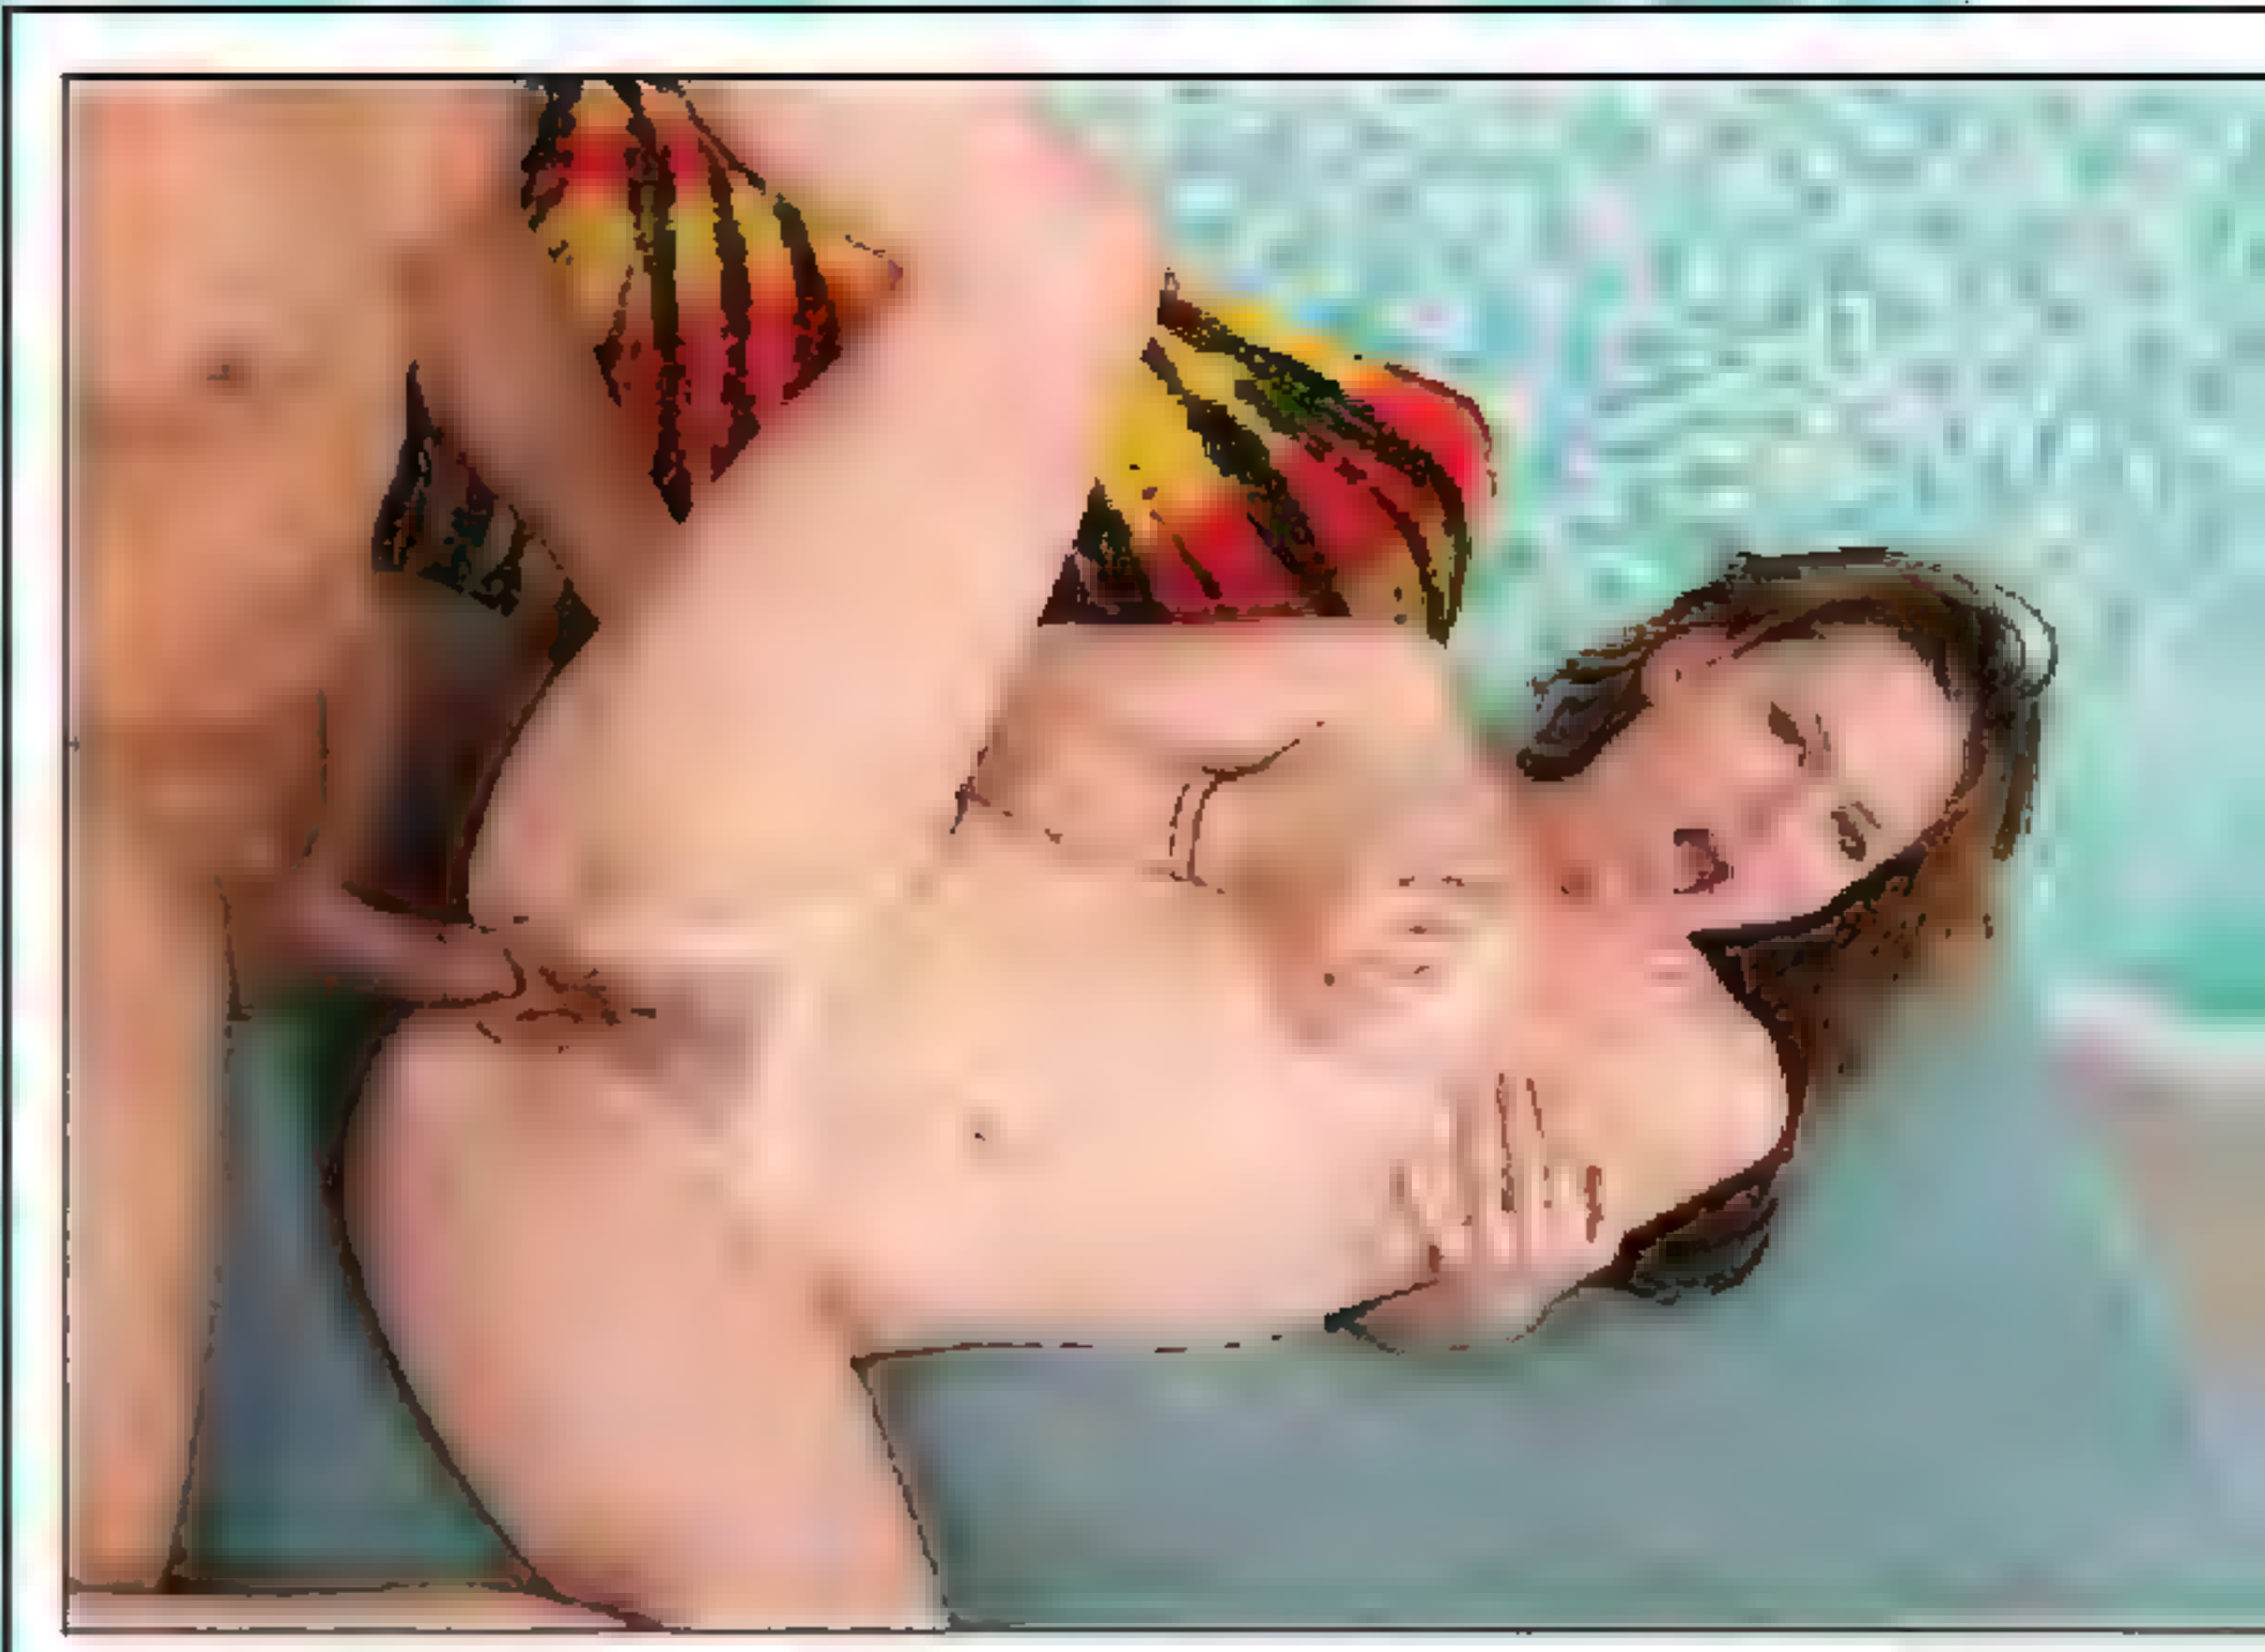

Violet's getting ready for her
latest bush fan

She picked him up at the laundry where she washes her clothes. She kept noticing the way he stared at the little hairs on her dirty panties. She knew that she had a new fan.

He loved the way her bush felt on his face and cock. "I just fucked a real woman," he would later tell all his freinds.

Cleanup might be a little messier, but
she does love the way the cum adorns
her bush. Do you like them hairy?

Kayla

Seducing Her Student

Kayla teaches math at the local college where she's a favorite among the male student body. Although she likes teaching, what she loves most about her job is the way that being around young people makes her stay young herself. The male professors have been trying to snare this little slut for quite some time, but alas, with no success. She prefers the hard, young bodies of her students and if you study hard and make good grades, you might just get some bonus marks.

A body this fine would be
wasted on the limp-dicked
academics.

Nope, she likes them
hard and always ready
for action as she's an
insatiable beast.

This lucky stud is at the top of his class and that earns him a ride underneath his teacher.

Teaching methods sure have changed. Is
this mathematics, physics or anatomy?

She'll be ready for another private lesson soon.
Are you ready to learn?
